

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF WEST MCCRACKEN )  
COUNTY WATER DISTRICT FOR AN ) CASE NO.  
ALTERNATIVE RATE ADJUSTMENT ) 2017-00319

ORDER

On August 1, 2017, the Commission received West McCracken County Water District's ("West McCracken") application ("Application") requesting to adjust its monthly water service rates pursuant to the procedures set forth in 807 KAR 5:076.

All requests for intervention should be filed by September 5, 2017. Any motion to intervene filed after September 5, 2017, should show a basis for intervention and good cause for being untimely. As set forth in 807 KAR 5:001, Section 4(11)(a), a person requesting permissive intervention in a Commission proceeding is required to demonstrate either: (1) a special interest in the proceeding which is not adequately represented in the case; or (2) that the person requesting permissive intervention is likely to present issues or develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. Further, KRS 278.040(2) requires that a person seeking intervention have an interest in the rates or service of a utility, as those are the only matters that are subject to the Commission's jurisdiction.

Based on the foregoing, the Commission further finds that any person requesting to intervene in a Commission proceeding must state with specificity the person's special

interest that is not otherwise adequately represented, or the issues and facts the person will present that will assist the Commission in fully considering the matter. A mere recitation of the quantity of water consumed by the movant or a general statement regarding a potential impact of possible modification of rates will not be deemed sufficient to establish a special interest.

Finding that a procedural schedule should be established to ensure the orderly review of West McCracken's Application, the Commission HEREBY ORDERS<sup>1</sup> that:

1. No later than October 31, 2017, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings regarding West McCracken's requested rate adjustment.

2. No later than 14 days after the date of the filing of the Commission Staff Report, each party of record shall file with the Commission:

a. Its written comments on and any objections to the findings and recommendations contained in the Commission Staff Report; and

b. Any additional evidence for the Commission to consider.

3. If Commission Staff finds that West McCracken's financial condition supports a higher rate than West McCracken proposes or the assessment of an additional rate or charge not proposed in West McCracken's Application, West McCracken, in its responses to the Commission Staff Report, shall also state its position

---

<sup>1</sup> No action is necessary to suspend the effective date of West McCracken's proposed rates for general water service. Pursuant to 807 KAR 5:076, Section 7(1), an applicant who applies for a rate adjustment pursuant to the procedures set forth in 807 KAR 5:076 may not place its proposed rates into effect until the Commission approves those rates or six months from the date the application is accepted for filing.

in writing on whether the Commission should authorize the assessment of the higher rate or recommend an additional rate or charge.

4. If Commission Staff recommends changes in the manner in which West McCracken accounts for the depreciation of West McCracken's assets, West McCracken, in its response to the Commission Staff Report, shall also state its position in writing on whether the Commission should require West McCracken to implement the proposed change for accounting purposes.

5. A party's failure to file written objections to a finding or recommendation contained in the Commission Staff Report within 14 days after the date of the filing of the Commission Staff Report shall be deemed as an agreement with that finding or recommendation.

6. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for a decision.

7. A party's failure to file a written response within 14 days after the date of the filing of the Commission Staff Report shall be deemed a waiver of all rights to a hearing on the application.

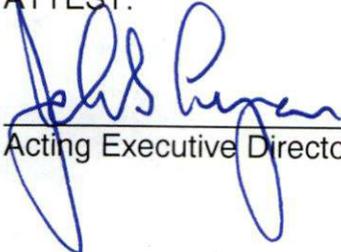

8. All requests for intervention shall be filed by September 5, 2017.

9. Any motion to intervene filed after September 5, 2017, shall show a basis for intervention and good cause for being untimely. If the untimely motion is granted, the movant shall accept and abide by the existing procedural schedule established by this proceeding.
